Dear Parent/s,

I am finding that many children are very enthusiastic to share their numeracy work with you. They are requesting extra work to take home!! While they are eager I am happy to send home additional activities. These are *optional* and are for you to decide whether your child would benefit. If you feel you would like to complete these tasks you may return them at any time for me to mark.

Thank you for your support,

Mrs. J. Tycer
